Care and Maintenance:

Brush the surface of the turf using a push broom or power broom. Sweep against the fibers to stand up the blades of turf. Deodorize the turf using X Grass Turf Deodorizer. This deodorizer is a biodegradable enzyme that is non-toxic, hypo-allergenic and safe for children and pets. Bottles come in a convenient 32 oz. size with a hose attachment so you can easily spray your turf lawn. Our XGrass Turf Deodorizer is also available in a 1 Gallon size for refilling your spray bottle. You can order this product at (714) 630-5037
